**T**he next EdsQ members event is one with a difference and not to be missed. Please join us on Wednesday 25 November as we celebrate this historic event:

## Editors Queensland's 30th anniversary!

From the fledgling organisation that almost didn't make it past its 20th year in 2010 to the vibrant branch of IPEd it is now, Editors Queensland has had a lively journey. Join past and current presidents and committee members as they reflect on EdsQ milestones.

This event will be broken into three segments. In the first, former EdsQ

president Kerry Davies AE and committee member Glenine Hamlyn AE will give an overview of the 30 years.

The second segment will be a chat by EdsQ president Christine Atkinson and IPEd chair (and former EdsQ president) Ruth Davies AE on the 2017 National Conference held in Brisbane.

In the third segment Desolie Page AE will talk about the future of accreditation and building value in the profession.

As always, following the presentations, members will be invited to contribute when we open the floor for discussion.

The event is free to members. It will be recorded for archival purposes – in this case, not allowing later viewing.
